Re: Dr. Reginald Archibald

Dear Ms. Cantwell:

We, the Marsh Law Firm, along with Pfau Cochran Vertetis Amala PLLC, represent multiple former patients of Dr. Reginald Archibald.

On behalf of our clients, we hereby demand the **immediate release** of the **secret investigatory report(s)** prepared for Rockefeller University Hospital in the 1990s and 2004, as well as the multiple **patient complaints** regarding Dr. Archibald's improper medical "protocols." As you know, those "protocols" included taking nude photographs of children and masturbating them.

We receive a daily deluge of patients expressing pain and outrage and seeking answers. These reports and complaints must not remain secret any longer.

Sincerely,

Jennifer Freeman
